

Change Jar Terms and Conditions

Upon enrollment in Oregon Community Credit Union's (OCCU) Change Jar feature, your OCCU debit card purchases (signature and PIN) will be rounded up to the nearest dollar and the difference will be transferred from your checking account to your primary savings account.

The aggregate amount from your daily debit card transactions will post to your checking account, followed by a single transfer to your primary member's savings account at the end of the business day, seven (7) days a week. If your account has a negative balance or if any transaction has caused the account to be overdrawn, the Change Jar transfer feature will be canceled for the day.

When a debit card purchase is subsequently cancelled or reversed, the corresponding Change Jar transfer will remain in the savings account and will not be removed.

Your request to enroll in the Change Jar feature will be added to your account within three (3) days of receipt. OCCU reserves the right to cancel or modify the Change Jar feature at any time without prior notice.

If you have any questions, please visit the nearest OCCU location, call us at 800.365.1111, send us a message online or write us a letter correspondence at the address listed below.
